

MEG STORER

Arranger

PROFILE

Meg is an energetic, neurodivergent arranger, conductor and flautist based in London. Her goal is to arrange accessible film score arrangements that can come in a variety of ensemble sizes and difficulties, meaning everyone can perform and enjoy the wonders of film music.

ACCESSIBILITY

- All scores are fully customisable for maximum accessibility, allowing customers to specify:
 - Accessible fonts
 - Font sizes and colours
 - Page size and colour
 - Backing tracks speed
 - Hard copies instead of pdf's

VARIETY

- Four difficulty levels
 - Customers can also commission works for mixed difficulty levels
- Currently, twelve ensemble sizes available
 - Expanding exponentially
 - Customers can also commission specific ensemble sizes for arrangements
